Keeping Little Kids Safe Spelling Worksheet
Pre-K & Kindergarten

Instructions: Practice writing the spelling words in the space on the right, then find an adult to read you the safety paragraphs when you are done.

Food
There are some types of **food** that little kids can choke on: Hot dog pieces, grapes, melon balls, some types of candy, and lots more. So always check with mom and dad before giving something to baby!

Kids
Little **kids** love to put things in their mouth. They love it so much that they do so 20-30 times every hour! So if you leave something dangerous laying around where little **kids** can get it, they'll put it in their mouth and might hurt themselves. So always pick up after yourself!
